# Introduction

## Purpose of this document

This Document has been created to present all the information needed for the adapted United Scoring System Rubrics in the UK.

The information contained in this document is taken directly for the United Scoring System UK rubrics, and only slight alterations have been made to the required rubric numbers in order to improve accessibility and competitive achievement for smaller UK teams.

The ethos behind the United Scoring System is unchanged in this document, and coaches are encouraged to review updates from the USS periodically throughout the year.

Judges using this scoring are encouraged to attend the United Scoring system in person or online training programmes to improve application and judgement of the skills being demonstrated in a competition environment.
