WHAT IS POWER UP EVENTS?

Power Up Events is not just an event provider; we are a community passionately created by former cheerleaders who have experienced this thrilling sport for over twenty years. Our team knows the rhythm of cheerleading, the dedication it demands, and the excitement it delivers. With our extensive experience in the industry, we're here to transform how cheer competitions are experienced.

Our Beliefs at the core of Power Up Events:

At Power Up we champion the spirit of our athletes. We are committed to:

Creating New Opportunities - We aim to offer unparalleled possibilities within the cheer industry, breaking barriers and establishing new standards.

Acknowledging Your Hard Work - We appreciate the effort and persistence behind every routine. At Power Up, hard work doesn't only get recognised: it gets celebrated.

More Than a Sport To us, cheerleading is a celebration of skill, creativity, and collaboration. It's about forming bonds, understanding the importance of teamwork, and challenging personal limits. At Power Up, you'll find that cheerleading is much more than a sport, it's a journey of growth, empowerment, and joy.

We're eager to show you what we've prepared for you, from innovative competitions to empowering workshops designed to enhance your cheer experience.

SAFEGUARDING AT POWER UP

At Power Up, we are committed to the highest standards of safety and well-being for all participants in our competitions. It is with this commitment that we have meticulously aligned our policies with Sports Cheer England's Safeguarding Policy.

The safeguarding of children, young people and vulnerable adults is paramount in the world of sports. Sports Cheer England has established a comprehensive Safeguarding Policy that sets the benchmark for best practices in cheerleading. Our policies have been developed to mirror these standards, ensuring that we uphold the same level of care and protection for all members of our organisation.

The Sports Cheer England Policy can be found here – [Safeguarding Policy \(sportcheerengland.org\)](https://www.sportcheerengland.org)

CONTINUOUS IMPROVEMENT

Safeguarding is an ongoing process, and we are committed to continually improving our policies and practices.

We regularly review and update our safeguarding measures to ensure they remain effective and in line with best practices.
