

Registration for the 26/27 Season

Pre-Registration

We expect to reach capacity very quickly with our competitions so suggest that programmes pre-register to the Power Up portal which you can do by going to this link - <http://www.regchamp.com/powerup>.

Registration

On the 22nd August at 10am, registration for all of our events will open! When registering for a specific event, you will need to input all your teams for the entry to be valid. If you have your teams already, then you can enter these as normal. If you are not entirely sure of the age, level or athletes of the team attending, please select a division that is most likely. Don't panic if you're not even sure what type of routine it will be, you can swap between the different categories when the amendments are made.

To ensure that your teams have been registered correctly, please open your invoice and check that all teams you want registered are under the 'REGISTRATIONS' tab. If any teams are under the 'MESSAGES' tab, this means they have not been registered correctly and if registrations meet capacity they will not be able to attend.

There is a £200 non-refundable deposit that is needed to secure your place at our competition and is required at the point of registration and is per event. Once you have registered your teams at the event, you can pay the deposit by going to the invoice and using our details at the bottom of the invoice.

Registration could close early due to capacity and is on a first come, first served basis based on when the deposit was received. Registration for Group Stunts, Solos and Duos will open on the 22nd September, other than for our University Event, ReVolt

Any questions, please email us – admin@powerup-events.co.uk
